- Support + troubleshooting

A billing scope identifies your access. You may have access to multiple billing scopes. For example, you may have access to your organization's billing account. The table below lists the scopes in **Default Directory** directory that you have access to. [Learn more](#)

☐ As a Global administrator, check this box to view all Microsoft Customer Agreement (MCA) scopes in Default Directory that you have access to

Search by billing scope name or your role

Billing scope	Billing scope type	Billing account	...
Oluyinka ADEBIMPE	Billing account	Oluyinka ADEBIMPE	MCA
